

# Bathroom Cleaning Checklist

- Put dirty clothes & towels in the laundry
- Wipe shelving, drawers, cupboards with a damp cloth
- Clear benches & return items to drawers & cupboards
- Use a broom/vacuum to clean the exhaust fan & cornices. Every 3-6 months, remove the exhaust fan cover, wash in warm soapy water & dry
- Vacuum window tracks to remove dust & wipe with a damp cloth
- Wipe window glass & window frame with a damp cloth
- Spray & clean the shower tiles & glass, removing any mould & soap scum
- Clean the shower head & taps removing any mould
- Check the sink drain, removing any excess hair & build up using a drain cleaning/unclogging solution if needed
- Clean mirrors with a damp cloth
- Clean sink, taps & benchtop of vanity & cabinets
- Clean bathtub, check drain & wipe taps with a damp cloth
- Wash & dry any bathtoys & run through the dishwasher if needed
- Clean toilet bowl with a toilet brush & treat with disinfectant both in the bowl & under the rim. Wipe the outside & top of the toilet bowl
- Clean toilet seat (top & underneath) & outside of toilet. Remember to clean around the plumbing at the back of the toilet
- Sweep/vacuum & mop floor
- Clean the bathroom door if needed & wipe around door handle, light switches and towel rails
- Wash towels, hand towels, face washers & bath mats
