

Santa's Magical Key A Christmas Family Tradition

Cut out the top label and attach to the outside of your gift-wrapped Santa's Magical Key, then deliver to your front door for your children to find up to a couple of days before Christmas Eve.

Cut out the label below. Laminate it, punch a single hole in the middle on the left or right side and attach to your Santa Magical Key with a piece of string or ribbon. Place the key with the label in a box, wrap and attach the delivery label above to the outside of the box. Place the box at your front door for your children to find up to a couple of days before Christmas Eve.
